MUHAMMAD ASIF RIAZ

WEB DEVELOPER

📞 0326-7622033 @ asifriaz1297@gmail.com 📍 3 Marla scheme near family park Bahawalpur

SUMMARY

I am a dedicated Data Science student with a strong foundation in data visualization, machine learning, and analytics. My expertise extends to web development and database management, complemented by experience in lead generation and teaching computer science. I am committed to delivering impactful solutions and contributing to organizational growth, aspiring to excel as a data scientist and a CSS officer.
